

## ***Funding Opportunity - Montana Highway Traffic Safety FFY 2017 project proposals***

Each state has a Highway Traffic Safety Section that receives and manages funding from the National Highway Traffic Safety Administration (NHTSA) for implementing behavioral programs aimed at improving traffic safety.

The State Highway Traffic Safety Section of the Montana Department of Transportation (MDT-SHTSS) serves that function in Montana, under the leadership of the Governor's Representative for Highway Traffic Safety.

Applications are now being accepted for the FFY 2017 (October 1, 2016 through September 30, 2017) projects.

- ➔ Applications for ALL FFY 2017 NHTSA funded proposals must be submitted to MDT-SHTSS by March 1, 2016.
- ➔ Applications must be submitted through Montana webgrant system located at: <https://fundingmt.org/index.do>
- ➔ Grant application instructions can be found at

Please contact any of the following MDT-SHTSS staff if you have any questions or comments about the application process:
